Next Steps in your study abroad journey:

 Jump to

Profile Evaluation Report

Week 1

Discuss your academic goals and interests with an advisor to find the best programs and universities suited to your aspirations.

Week 2-3

Step 2 :

Shortlisting

Research and choose a list of universities that match your academic profile, budget, and preferred location in Canada.

Week 3-4

Step 3 :

Paperwork

Gather necessary documents such as transcripts, recommendation letters, and proof of language proficiency to complete your application.

Week 5

Step 4 :

Submit Application

Fill out and submit your application forms accurately. Double-check for any errors and ensure all required documents are included.

Week 5-8

Step 5 :

Waiting for confirmation

Monitor your email and university portals for updates on your application status. Use this time to prepare for interviews if required.

Week 8-9

Step 6 :

Visa Application

Once accepted, apply for a student visa. Prepare documents like your acceptance letter, financial proof, and medical exams.

Finally

Step 7 :

Arrive at your dream country

Plan your travel, arrange accommodation, and get acquainted with the culture and university life for a smooth transition.
